PROFESSIONAL EXPERIENCE

Product Designer | December 2024 – January 2026
INCUBE / Savvy Team

- Designed an end-to-end application for Al Faisaliah Mall, featuring AI-powered assistance, smart room controls, and hotel booking.
- Designed 15+ landing pages for major Saudi events and exhibitors.
- Worked directly with NHC and contributed to projects involving Samsung, Floward, Al Rajhi Bank, and STC.
- Led a 6-member video editing team, delivering 7 videos for the Alkhozama Exhibition.
- Created presentations and digital campaign assets for NHC events, including support for major events such as Sakani's "Beneficiary First" in Jeddah.

Lead Creative Strategist (Design & Media) | Jan 2024 - Apr 2025
H3 Solutions

- Led UI design across 6 end-to-end digital products, spanning web and mobile applications.
- Managed and mentored a small design team.
- Produced 100+ marketing assets, including social media content, motion graphics, video edits, and campaign footage.
- Conducted UX research, developed wireframes and interactive prototypes, and worked with developers through implementation.

UI/UX Design & Motion Graphics | Feb 2020 - Current
Freelance

- Designed 8+ applications for local and MENA clients, including hbeauty, Clutch, Afyti, Friday, and Taskly, delivering full UI/UX designs and developer handoffs.
- Designed and developed 10+ websites across e-commerce, startups, and NGOs, including e-commerce projects generating 1M+ ILS in total revenue.
- Created investor presentations and pitch decks for startups, contributing to projects that secured approximately $1.5M in funding.
- led a motion graphics campaign for Food & Drink Federation Scotland and explainer videos for Clacksfirst Scotland.

EDUCATION

Birzeit University | 2022 - 2027
Bachelor of Computer Science
